

8" LED down light – brushed metal trim

Dimensions:
Cut Hole: 6"
Diameter: 8"
Depth: 6"

Product Features

- Aluminum heat sink and brushed metal trim design
- Special light design, High lumen efficiency.
- Universal AC input / Full range, 0-10V Dimmable
- Protections: Short circuit / Over current/ Over temperature.
- Wide colour temp in degrees Kelvin (K), 2700-6700K

Applications

- Commercial lighting / indoor lighting.
- Office, house etc.
- Other applications.

Specification data

Item No.	Watts	Input Voltage	Power Factor	Luminous Flux	Replacement	CRI
DL-20W	20W	100-277Vac	PF>0.95	2,600lm	50-75w CFL, HID	Ra>83
DL-30W	30W			3,900lm	75-105w MH, HPS	Ra>83
DL-40W	40W			5,200lm	105-125w MH, HPS	Ra>83
DL-50W	50W			6,500lm	125-175w MH, HPS	Ra>83

- Color temperature: 2700k, 3000k, 4000k, 4500k, 5000k, 5700k, 6500k
- Beam Angle: 90 degrees
- Life time: >50,000 hours
- Warranty: 5 years factory warranty
